Linda was not a good cook, and she knew it. But one day her husband brought home a bunch of rhubarb and asked her to make him a rhubarb pie. When he got home he found her in tears. "What's the matter?" he asked. "Where's the pie?" "I couldn't make it!" she said, tearfully. "I looked up a recipe and all, but I couldn't find a pan long enough to bake it in!"

The old man was a witness in a burglary trial.

The defense lawyer asks Sam, "Did you see my client commit this burglary?"

"Yes," said Sam, "I saw him plainly take the goods."

The lawyer asks Sam again, "Sam, this happened at night.

Are you sure you saw my client commit this crime?"

"Yes" says Sam, "I saw him do it."

Then the lawyer asks Sam, "Sam listen, you are 80 years old and your eyesight probably is bad. Just how far can you see at night?"

Sam says, "I can see the moon, how far is that?"

A 60 year-old couple was celebrating their 40 years of marriage. During the celebration a fairy appeared! "Because you have been such a loving couple all those years, I would like to give you each one wish." The wife quickly chimed in; "I want to travel around the world." The fairy waved her wand and, POOF! She had the tickets in her hand. Next, it was the husband's turn. He paused for a moment, then said shyly, "Well, I'd like to have a wife 30 years younger than me." The fairy picked up her wand and, POOF! He was 90...

Joan, the town gossip and supervisor of the town's morals, recently accused George, a local man, of being an alcoholic because she saw his pickup truck parked outside the town's only bar. George stared at her for a moment, and said nothing. Later that evening, he parked his pickup truck in front of her house and left it there all night.

Joe heard his wife Vicky remark to a lady friend that he was a model husband. He was very proud and happy that Vicky would say that. But then, he looked the word up and found that the dictionary defines model as meaning a small imitation of the real thing.

What wild animal was the first to be domesticated?

Throughout history, many kinds of wild animals have become domesticated (changed through breeding to live among humans). The first animal to become domesticated was also one of the smartest -- the dog.

A circus owner walked into a bar to see everyone crowded around a table watching a little show.

On the table was an upside down pot and a duck tap dancing on it.

The circus owner was so impressed that he offered to buy the duck from its owner. After some wheeling and dealing they settled for \$10,000 for the duck and the pot.

Three days later the circus owner runs back to the bar in anger, "Your duck is a rip-off! I put him on the pot before a whole audience and he didn't dance a single step!"

"So?" asked the ducks' former owner, "did you remember to light the candle under the pot?"

A grizzled old man was eating in a Bakersfield, CA truck stop when three Hell's Angels bikers walked in.

The first walked up to the old fellow, pushed his cigarette into the old man's pie and then took a seat at the counter.

The second walked up to the old man, spit into his coffee and took a seat at the counter.

The third walked up to the old man, turned over his plate, and then he took a seat at the counter with buddies . . .

Without a word of protest, the old man quietly paid his bill and left the diner. One of the bikers said to the waitress, "Humph, not much of a man, was he?" Shaking her head, she replied, "No . . . not much of a truck driver either. He just backed his truck over three motorcycles."

THINGS THEY SAID IN 1959...

"I'll tell you one thing. if things keep going the way they are, its' going to be impossible to buy a weeks groceries for \$20."

"I'm afraid to send my kids to the movies any more. Ever since they let Clark Gable get by with saying 'damn' in 'Gone with the Wind,' it seems every movie has a 'hell' or a 'damn' in it."

"I'll tell you one thing. If my kid ever talks back to me, they won't be able to sit down for a week."

"We won't be going out much any more. Our baby sitter informed us she wants 50 cents an hour. Kids think money grows on trees."

Two sea monsters were swimming around in the ocean, looking for something to do. They came up underneath a ship that was hauling potatoes. Bob, the first sea monster, swam underneath the ship, tipped it over and ate everything on the ship. A little while later, they came up to another ship, again hauling potatoes. Bob again capsizes the ship and eats everything on board. The third ship they found was also hauling potatoes and Bob once again capsized it and ate everything. Finally his buddy Bill asked him, "Why do you keep tipping over those ships full of potatoes and eating everything on board?" Bob replied, "I wish I hadn't, but I just can't help myself once I start..... Everyone knows you can't eat just one potato ship."

Dumb and Dumber just got apprehended by a tribe of very hostile cannibals who put them in a large pot of water, and built a huge fire under them. A few minutes later Dumber starts to laugh uncontrollably. Dumb can't believe it! He says, "What's wrong with you? We're being boiled alive! They're gonna eat us alive! What could be so funny at a time like this?" Dumber replied, "I just peed in the soup."

These days, a student isn't lazy. He's "energetically declined."

Kids don't get grounded anymore. They merely hit "social speed bumps."

No one fails a class anymore; he's merely "passing-impaired."

A plane was taking off from Kennedy Airport. After it reached a comfortable cruising altitude, the captain made an announcement over the intercom, "Ladies and gentlemen, this is your captain speaking. Welcome to Flight Number 293, nonstop from New York to Los Angeles. The weather ahead is good and therefore we should have a smooth and uneventful flight. Now sit back and relax - OH MY GOD!" Silence.

Then, the captain came back on the intercom and said, "Ladies and Gentlemen, I am so sorry if I scared you earlier, but while I was talking, the flight-attendant brought me a cup of coffee and spilled the hot coffee in my lap. You should see the front of my pants!" A passenger in Coach said, "That's nothing. You should see the back of mine!"
